

Ancien Wines

2006 Sonoma Mountain Pinot Noir

RED DOG VINEYARD

ABOUT THE VINEYARD...

The Red Dog Vineyard sits atop Sonoma Mountain on the cool, western side. It was planted in 2000 by Tom and Debbie Engel. It is planted mostly to Swan Selection with the cuttings coming from the Mink Vineyard. We also have smaller amounts of Dijon 777 and 115.

The soils vary through the vineyard changing from clay loam with low fertility due to being leached of nutrients over the eons. The soils atop Sonoma Mountain are some of the most ancient soils in Sonoma County. It is a truly spectacular vista point but a challenging place to grow grapes.

ABOUT THE VINTAGE...

The 2006 vintage marks our 4th vintage from the Red Dog Vineyard. As the vines continue to develop, more underlying depth emerges. This is certainly quite obvious with the 2006 as more layers and nuance emerge over time. As has been the case, the shy bearing vines atop Sonoma Mountain yield an exceptionally unique blend of power and elegance.

ABOUT THE WINE...

The grapes were 100% destemmed into an open top fermenter and cold soaked for 4 days. We punched down by hand 4 times per day at the beginning of fermentation. This was decreased to 2 times per day by the end of fermentation. We inoculated with RC 212 yeast (a Burgundian isolate) and fermented warm, peaking about 94°F. The wine given a post-fermentation maceration, with a total skin contact time of 14 days. The wine was aged entirely in French barrels from the Tonnellerie Remond cooperage, of which 60% were new. The wine was racked once prior to bottling. Wine movements were made by pushing with inert gas all the way until bottling. Wine analysis: Alc. 14.4 %, pH 3.62, ta 5.9 g/l, r.s. 0.01 g/l. 209 cases produced.

TASTING NOTES...

Elegant floral notes of violets, cranberry, dried roses, fresh herbs, truffle, and black tea. Orange peel, cherry raspberry predominate on the palate framed nicely by subtle vanillin, cocoa and toasted oak. The wine is velvety in texture and finishes with very long, lingering flavors echoing the floral notes of the nose finishing with underlying tannins to age well. The wine is showing beautifully now, but experience indicates it will continue to develop deeper and more complex layers over the next 6 - 10 years..
